

PRESS RELEASE

EPIC GAS LTD. TAKES DELIVERY OF 11,000CBM NEWBUILDING

Singapore, 30 November 2016

Epic Gas Ltd. announced today that the 11,000cbm LPG carrier Epic Samos, the fifth vessel in the Company’s series of eight newbuildings, delivered on 30 November 2016 from Kyokuyo Shipyard, Japan.

Epic Gas remains committed to the delivery of a high quality fleet of long term controlled assets across the full pressurised sector of 3,300 – 11,000cbm, with an outstanding fully funded new building program of one 7,500cbm vessel and one 11,000cbm vessel, plus an additional 11,000cbm new building to be delivered under a bareboat charter to Epic Gas.

The Company’s fleet is segmented as follows:

Vessel Segment	On the Water	On Order	Fully Delivered
3,000-4,999	9		9
5,000-6,999	11		11
7,000-8,999	12	1	13
9,000-10,999	2		2
11,000	4	2	6
Total	38	3	41

Epic Samos

About Epic Gas

Epic Gas owns and operates a fleet of fully pressurised gas carriers providing seaborne services for the transportation of liquefied petroleum gas and petrochemicals. The company controls a fleet of 41 vessels which serve the international supply chains of leading oil majors and commodity traders throughout Asia, Europe, Africa and the Americas.
